

TechMed Event Platform

The TechMed Event platform is now open and you can register yourself via the button below. Do this as soon as possible, so that you can network quickly and register yourself for sessions with limited availability (full = full).

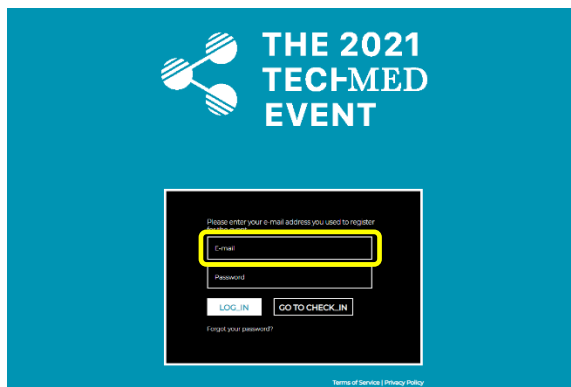

- *How to register for the Event platform:*

1. Click on [this link](#) (accept Cookies all the time)

(<https://techmedevent.scoocs.co/techmedevent/login>) and you'll see this page:

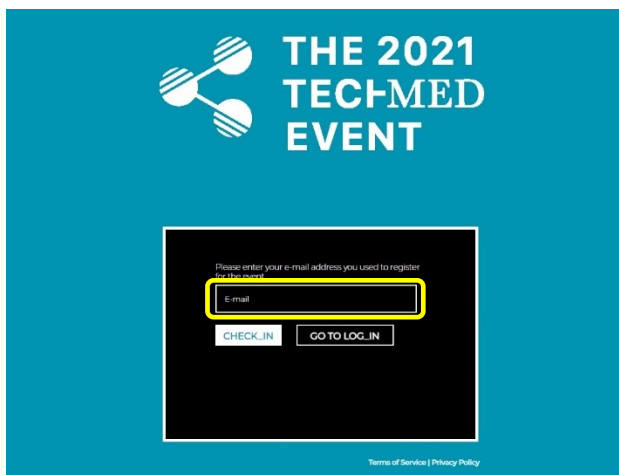

2. Use your e-mail (this one)

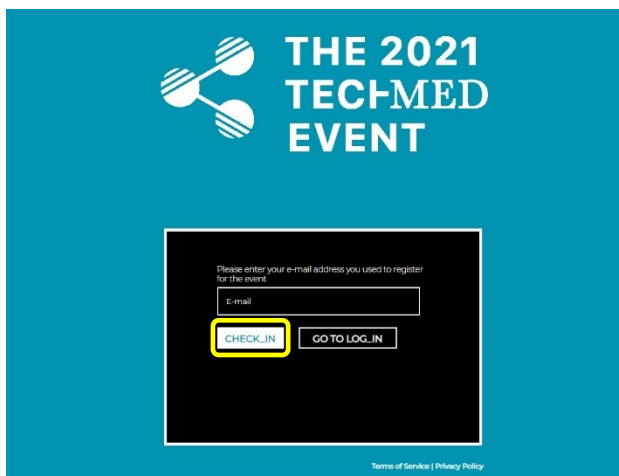

3. Click on "Go to check_in"

4. You'll see this page and fill in the same e-mail address:

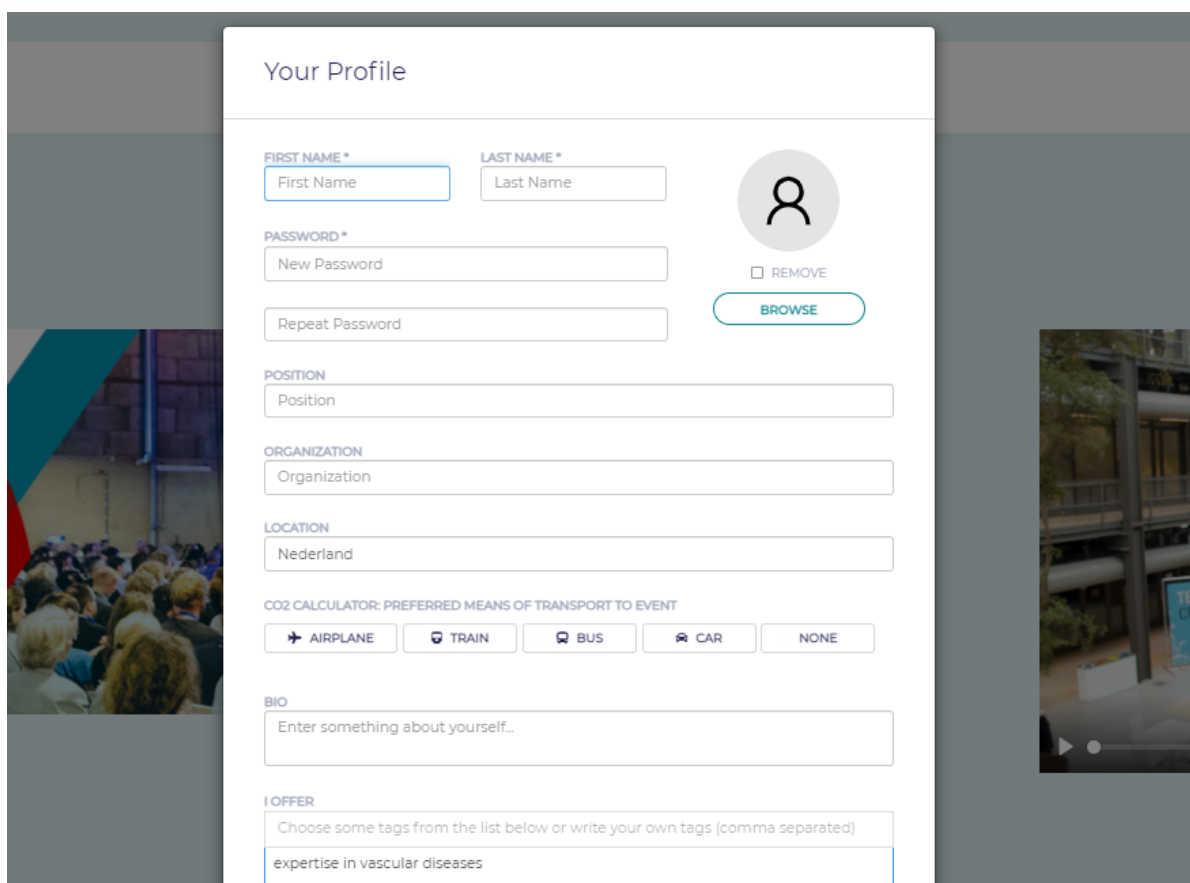

5. Click on the button "Check_in"

Problems with signing in? Please send an email to: techmed-events@utwente.nl

6. Once you are in, complete your profile and set a password.
7. Fill in your profile as completely as possible (matchmaking is based on the tags "I offer" and "I look for")

I OFFER
Choose some tags from the list below or write your own tags (comma separated)

expertise in vascular diseases

8. You are ready to start your TechMed Event experience!

- ***Tips & tricks for the platform***

- Sign up for sessions with limited live seats, only for live attendees (digital attendees have always access)
- Personalize your program by clicking the star at the top right of each session.
- Find new connections and start the conversation!
- Watch videos of pitches on the Pitch the crowd page. Interesting? Connect and meet live at the event. Various live Pitches have also been scheduled for November 3 & 4, view the programme and schedule for this.
